

# FitLine Zellschutz

450 grams, 60 portions

The quality  
the **ELAB**  
proves it.

Portion price: from 0,49 €

FitLine Antioxy contains citrus extracts rich in natural bioflavonoids, vitamin C, provitamin A and selenium. In addition, NTC® supports optimal nutrient intake, and the powder dissolves in a fresh and fruity orange-flavored drink.

This product has been further developed so that you can take full advantage of the unique formula. Enriched with a blend of berries, vegetables and fruit extracts, resulting in a new ultra-powerful formula that supports you with vitamins and antioxidants.

## THE NUTRIENT TRANSPORT CONCEPT (NTC®)

Our products are manufactured with the exclusive Nutrient Delivery Concept (NTC®), which delivers nutrients exactly when they are needed and where they are needed – at the cellular level, inside and out.

## SUPPORT OF THE IMMUNE SYSTEM

Selenium and vitamin C contribute to the normal functioning of the immune system.

## PROTECTION AGAINST OXIDATIVE STRESS

Selenium, vitamin E and vitamin C contribute to the protection of cells against oxidative stress.

## FRESH ORANGE FLAVOR

It contains a natural fresh, fruity taste.

## HIGH QUALITY INGREDIENTS

Contains citrus extracts rich in natural bioflavonoids, vitamin C, provitamin A and selenium.
